Campus Project Proposal

My idea for campus art project is decorating two full-length mirrors with vinyl murals on March 29th, 2022. This project will take place in the Burnaby Campus Academic Quadrangle (AQ) during the week-long exhibition from March 31st to April 6th, 2022. De-installation will take place on April 7th, 2022. These murals will include messages, shapes, and numbers. I will draw shapes, letters and numbers on the vinyl using a sharpie and cut them out using an exacto/precision knife. I will use a murals personal. In some way, they will represent my intereaction with the public. My murals will include my birth year, my silhouettes, and universal icons such as a heart. My hope is that these murals will draw the attention of passerby and invite them to engage with my artwork. I hope they will have similar experience of 'being in a fun house.' The public can interpret my murals and pose in fun ways for memorable selfies.
